ORAL HEALTH SCREENING TEAM

A healthy smile is a beautiful smile!

Wesley Health Centers want to help you and your family maintain a healthy smile. Our Oral Health Screening offers:

- Visual Dental Exams
- Nutritional Counseling and guidance
- Caries-risk Assessment
- Application of Fluoride
- Oral Hygiene Instruction
- Dental referrals for follow-up appointments

Early dental check-ups help prevent early childhood caries (cavities) and help detect the early warnings signs of certain health-related issues
