RECUPERATIVE CARE SERVICES

The Wesley Health Centers Recuperative Care Program provides residential services to homeless individuals with acute medical conditions that would benefit from a respite program that provides case management, personal care, medical care and access to long-term housing resources and placement.

DAILY COST AT RECUP: $225-$300 VS. $1,900-$3,000 FOR HOSPITALIZATION

- MEDICAL CARE: Medical care is provided on site by physicians and mid-level providers. Nurses are also on site and provide supervision of care managers and other team members. Patients are seen daily by staff for nursing care and weekly by a provider or as needed.

- TRANSPORTATION: Transportation is available to and from medical visits and to specialists and other social services agencies in the County.

- MEALS: Three meals a day are provided on site and usually provided by the Salvation Army’s main Bell Shelter facility.

- CASE MANAGEMENT: Weekly meetings are held with a case manager for assistance with referrals for placement into transitional and/or permanent housing. We provide assistance in uniting client with family and other support networks.
