

## Dental Treatment Consent Form

Please Read and initial the items checked below  
and read and sign the section at the bottom of form.

Patient Name \_\_\_\_\_

**1.WORK TO BE DONE**

➔ I understand that I am having the following work done: Fillings \_\_\_\_\_ Bridges \_\_\_\_\_ Crowns \_\_\_\_\_ Extractions \_\_\_\_\_ Root Canals \_\_\_\_\_ Other \_\_\_\_\_

**2.DRUGS AND MEDICATION**

➔ I understand that antibiotics and analgesics and other medications can cause allergic reactions causing redness and swelling in the tissue, pain, itching, vomiting, and /or anaphylactic shock (severe allergic reaction).

**3.CHANGES IN TREATMENT PLAN**

➔ I understand that during treatment it may be necessary to change or add procedures because of conditions found while working on the teeth that were not discovered during examination, the most common being root canal therapy following routine restoration procedures. I give my permission to the Dentist to make any/ all changes and additions as necessary.

**4.REMOVAL OF TEETH**

➔ Alternatives to removal have been explained to me (root canal therapy, crowns, periodontal surgery, Implants etc.) and I authorize the Dentist to remove the following teeth \_\_\_\_\_ and any other necessary for reasons in paragraph. I understand removing teeth does not always remove all the infection, if present, and it may be necessary to have further treatment. I understand the risks involved in having teeth removed, some of which are pain swelling, spread of infection, dry sockets, loss of feeling in my teeth, lip, tongue and surrounding tissue (Paresthesia) that can last for an indefinite period of time (days or months) or fracture in jaw. I understand I may need further treatment by a specialist or even hospitalization if complications arise during or following treatment, the cost of which is my responsibility.

**5.CROWNS, BRIDGES AND CAPS**

➔ I understand that sometimes it is not possible to match the color of natural teeth exactly with artificial teeth. I further understand that I may be wearing temporary crowns, which may come off easily and that I must be careful to ensure that they are kept on until my permanent crowns are delivered. I realize the final opportunity to make changes in my new crown, bridge, or cap (including shape, size, and color) will be before cementation.

**6.DENTURES, COMPLETE OR PARTIAL**

➔ I realize that full or partial dentures are artificial, constructed of plastic, metal, and/ or porcelain. The problem of wearing these appliances have been explained to me, including looseness, soreness, and possible breakage. I realize the final opportunity to make any changes in my new dentures (including shape, fit, size, placement and color) will be the "teeth in wax" try-in visit. I understand most dentures require relining approximately three to twelve months after initial placement. The cost for this procedure is not included in the initial denture fee.

**7.ENDODONTIC TREATMENT (ROOT CANAL)**

➔ I realize there is no guarantee that root canal treatment will save my tooth, and that complications can occur from the treatment and that occasionally metal objects are cemented in the tooth or extend through the root, which does not necessarily affect the success of the treatment. I understand that occasionally additional surgical procedures may be necessary following root canal treatment (apicoectomy).

**8.PERIODONTAL LOSS (TISSUE & BONE)**

➔ I understand that I have a serious condition, causing gum and bone infection or loss and that it can lead to the loss of my teeth. Alternative treatment plans have been explained to me, including gum surgery, replacement and/ or extractions. I understand undertaking any dental procedures may have future adverse effect on my periodontal condition.
